

**INACTIVE & FAKE MOBILE SUBSCRIBER DELETION MATTER – PIL.**

**SUMMARY OF PETITION NO – 271/2011.**

**THINGS TO NOTE !!**

- A)** SPECTRUM IMPORTANT TO DEFENCE. **\*\* ( PG. 87/88 )**.
- B)** SPECTRUM IS THE SCARCE RESOURCE.
- C)** SPECTRUM IS COMPLIMENTARY WHEN LINKED TO INCREMENTAL SUBSCRIBER BASE.
- D)** MOBILE OPERATORS DUPE THE SYSTEM TO ENROLL FAKE SUBSCRIBERS WHICH RESULTS IN LOSS TO NATIONAL REVENUE AND ENDANGERS NATIONAL SECURITY.
- E)** SUBSCRIBER BASE IS LINKED TO THE GOODWILL OF THE MOBILE OPERATOR.
- F)** TRAI. AND DOT. HAVE COMMUNICATED THROUGH RTI. REPLY THAT THEY, DO NOT HAVE ANY INFORMATION AS TO HOW LONG A SUBSCRIBER CAN BE REFLECTED IN THE SYSTEM WITHOUT RECHARGING OR WITHOUT MAKING / RECEIVING MINIMUM NUMBER OF CALLS. **\*\* ( PG. 62/63/64/65/66/67/68 )**.
- G)** DOT. AND MOBILE OPERATORS, AS PER THEIR OWN ADMISSION DO NOT HAVE ANY MECHANISM TO CROSS CHECK AUTHENTICITY OF DOCUMENTS. **\*\* ( PG. 80/84) (74/75/76 )**.

- H)** THE TERMS. CELL CONDUCTS ONLY SAMPLE SURVEY AND THERE ARE INSTANCES OF SAMPLE SURVEYS REMAINING PENDING FOR SIX TO SEVEN MONTHS DUE TO ACUTE STAFF SHORTAGE EVEN IN METRO CITIES. – **MEDIA CUTTING.**
- I)** RE-VERIFICATION ONUS IS ON MOBILE OPERATORS WHO THEMSELVES DERAILED VERIFICATION PROCESSES AND THEIR MODUS OPERANDI CURRENTLY IN NORTH EAST IS A GLARING TESTIMONY TO THEIR MISDEEDS.  
**\*\* ( PG. 77/79 ) & MEDIA CUTTING.**
- J)** ONLY 50 – 70 PERCENT OF MOBILE SUBSCRIBERS USE THEIR MOBILES ONCE OR MORE IN A MONTH AND IT REFLECTS ON THE ACTUAL CONSUMER BASE, SINCE IT ALSO INCLUDES PRE-ACTIVATED SUBSCRIBERS (USING WITHOUT DOCUMENTS) AND FAKE SUBSCRIBERS WHO HAVE MULTIPLE CONNECTIONS, TO BE USED AS RECHARGE COUPONS AND DISCARD CONNECTIONS AFTER ONE TIME USAGE. ONCE IN A MONTH USERS ARE OF DOUBTFUL CATEGORY AND ROUGHLY ACCOUNT FOR AROUND 20% OF SUBSCRIBER BASE.
- K)** ENTREPRENEURS HAVING FORMIDABLE PRESENCE IN MOBILE SERVICE OPERATIONS HAVE BEEN ACCUSING EACH OTHER OF FALSIFYING SUBSCRIBER BASE AND HOARDING SPECTRUM, RESULTING IN THE REAL TELECOM SCAM. **\*\* ( PG. 49 TO 54 ).**
- L)** AS PER CAG. REPORT THE GOVT. COMPLIMENTARY ALLOCATIONS BEYOND THE CONTRACTED LIMIT TO INCUMBENT GSM. OPERATORS HAD CAUSED A NOTIONAL LOSS OF (37,000) CRORES TO THE EXCHEQUER. **\*\* ( PG. 49 TO 54 ).**

**M)** CURRENTLY THERE ARE SIM CARDS WITH LIFE TIME VALIDITY AND DO NOT REQUIRE MONTHLY RECHARGE.

**N)** THE CURRENT RE-VERIFICATION DRIVE ONLY REQUIRES SUBSCRIBERS TO RE-EXTEND DOCUMENTS AGAINST THEIR MOBILE CONNECTIONS AND THERE IS NO MECHANISM OR EFFORT TO CHECK THE AUTHENTICITY OF THE DOCUMENTS.

SUCH IS THE MAGNITUDE OF THE PROBLEM THAT EVEN IF EARLIER THE ACTUAL USER AND THE DOCUMENTS WERE CORRECTLY MATCHED BUT DURING RE-VERIFICATION FAKE DOCUMENTS OF SOME OTHER INDIVIDUAL ARE EXTENDED, THE CONNECTION IS TRANSFERRED TO THAT FAKE ACCOUNT.

**O)** IF ONE INDIVIDUAL HAS (10) CONNECTIONS IN HIS NAME – IT LEADS TO (10) NEW CONNECTIONS IN THE SYSTEM, SINCE THE SYSTEM READS THE ID. NUMBER & NOT THE NAME.
